

ATTENTION: VILLAGE OF WAVERLY HOMEOWNERS

The Village of Waverly will be applying to New York State for grant money to assist homeowners with repairs to their homes. In order for the Village to be successful in obtaining grant funds, we need to determine the number of homeowners who would be interested in having their homes rehabilitated.

If the Village is awarded the funds, you may be eligible for repairs such as:

- * Heating * Plumbing * Roofing * Painting
- * Electric * Windows * Doors * Structural Repairs

If you own and occupy a home in the Village of Waverly, and have a gross annual household income less than the limits shown below, please call Thoma Development Consultants at (607) 753-1433 to request a pre-application.
